Long-Term Care Subsidies

Share link

Provides means-tested subsidies for long-term care services by MOH-funded long-term care providers.

Collapse all sections

SCHEME HIGHLIGHTS

- For home and community long-term care services provided by MOH-funded providers: Means-tested subsidies of up to 80%
- For institutional long-term care services provided by MOH-funded providers: Means-tested subsidies of up to 75%
- Additional subsidies of up to 15% for Singapore Citizens born in or before 1969

About this support

For home and community long-term care services (e.g. Day Care, Community Rehabilitation services, Home Nursing, Home Medical)

- Means-tested subsidies of up to 80%
- Additional 15% subsidies for Singapore Citizens born in and before 1969

For institutional long-term care services (e.g. Nursing Home)

- Means-tested subsidies of up to 75%
- Additional 5% subsidies for Singapore Citizens born in and before 1969

Who is this for?

- Singapore Citizens and Permanent Residents
- Monthly per capita household income (PCHI) of less than or equal to $4,800 (or property annual value (AV) of less than or equal to $21,000 for households with no income)
- Receiving long-term care services from MOH-funded providers

How to apply?

Persons who require long-term care services can approach their doctor at the hospital, polyclinic, or Agency for Integrated Care (AIC) for assistance in applying for admission to a subsidised long-term care service.

Where can I find help?

- Non-residential long-term care services
- Residential long-term care services

AIC Hotline: 1800 650 6060

Airtime charges apply for mobile calls to 1800 service lines. Calls are free of charge only if made from regular land lines in Singapore.
