Healthier SG Chronic Tier Subsidies

MyCHAS

$-subsidies for other care services[4] and medications not on the Healthier SG Medication List	**Simple[3]**	Up to $28 subsidy per visit, capped at $80 per year
	Complex[3]	Up to $40 subsidy per visit, capped at $110 per year
%-subsidies for Standard Drug List (SDL) medications on the Healthier SG Medication List[5]	**Simple or Complex Tier[3]**	50% subsidy, with no dollar cap
%-subsidies for Medication Assistance Fund (MAF) medications on the Healthier SG Medication List[5]	**Simple or Complex Tier[3]**	Not applicable

[1] This refers to the cost of screening test(s) and first post-screening consultation. Screening tests under the programme include cardiovascular disease, cervical cancer and colorectal cancer screening. You may check your eligibility status here.

[2] For more information on vaccinations, please visit Vaccinations | Communicable Diseases Agency. Subsidies are applicable to certain vaccine brands.

[3] "Simple" refers to visits for a single chronic condition. "Complex" refers to visits for multiple chronic conditions, or a single chronic condition with complication(s).

[4] Services refers to healthcare services provided by the Healthier SG GP clinic, such as consultation and investigations (e.g. blood tests).

[5] Applies to chronic medications defined in the Healthier SG Medication List, which comprises medications which are commonly use
