Eligibility

All Singapore Citizens are eligible for CHAS. The CHAS benefits will be tiered according to household monthly income per person or the Annual Value (AV) of the home, as indicated in the table below:

CHAS Criteria	CHAS Green	CHAS Orange	CHAS Blue
^Household monthly income per person (for households with income)	Above $2,300	$1,501 - $2,300	$1,500 and below
^^Annual Value (AV) of home (for households with no income)	Above $31,000	$21,001 - $31,000	$21,000 and below

^ Household monthly income per person is the total gross household monthly income divided by total number of family members living together. Gross monthly income refers to your basic employment income, trade/self-employed income, overtime pay, allowances, cash awards, commissions, and bonuses.

^^ Annual Value is the estimated gross annual rent of a property if it were to be rented out, excluding furnishings and maintenance fees. It is determined by IRAS and may be checked via mytax.iras.gov.sg.

While every Singapore Citizen is eligible for CHAS, the enrolment onto CHAS is still on an application basis. To enjoy subsidies under CHAS, households are required to submit an application.

Singapore Citizens who have the Public Assistance (PA) card do not need to apply for CHAS, as they can already receive full CHAS subsidies by showing the PA card.
